

The Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (SAFE Act) was enacted on July 30, 2008, and mandates a nationwide licensing and registration system for residential mortgage loan originators. The SAFE Act requires that federal registration be accomplished through the Nationwide Mortgage Licensing System and Registry (the Registry).

The purpose is to provide consumers with easily accessible information at no charge regarding the employment history of and publicly adjudicated disciplinary and enforcement actions against Mortgage Loan Originators. A unique identifier assigned to each Mortgage Loan Originator allows consumers to access a profile stored in the Registry. Consumer access to the profile can be found at www.nmlsconsumeraccess.org.
