

Coronavirus Response

Being socially responsible in light of the current pandemic environment (Coronavirus – COVID 19) Clarion Federal Credit Union will take action to protect our members, associates and communities. Effective March 19, 2020, we will remain open our normal business hours by the use of drive-through lanes only.

Our lobby will be open only by scheduled appointment for limited transactions. Please make an appointment for such items as:

- Meeting with a Loan Officer
- Opening a new account
- Business transactions that can't be conducted through the drive-through or night drop
- Re-issuance of a Debit Card

During this time of requested reduced social interaction please take advantage of the Credit Union's online capabilities and ATMs. Members have these services available to them:

- Online, mobile and telephone banking – you can check balances, review transaction history, transfer funds, make loan payments and pay bills.
- Mobile Deposit – deposit checks through the use of our smart phone app.
- Night Drop – we will be checking the night drop throughout the day for all transactions.
- ATM machines – please use these machines at your convenience, they are open 24 hours per day. Remember if you sign up for e-statements the Credit Union reimburses ATM surcharges up to \$20 per month.
- Online loan applications – members can apply for loans through our website.

Thank you for your patience through this time period, we will resume normal operations as soon as possible. Call us at 814.226.5032 with any questions.
