

To whom it may concern:

Please use the following numbers for Direct Deposit or ACH Transactions.

Name: _____

Address: _____

Routing Number: **243380192**

Account Number:

Please check:

Savings

Checking

*Please Note:

For a savings account—**do not** put the branch code, the backslash (/), or the decimal. **Do** include the zero at the end.

For example: 1/1122.0 would be 11220

For a checking account—make sure you use the 231 in front of the number. Your checking account should be 10 digits long and should match the number at the bottom of your checks

PLEASE DO NOT USE YOUR DEBIT CARD NUMBER.

Sincerely,

ACH Coordinator
