

Goal Thermometer Update

We've reach \$300,00 on our goal thermom-eter! That means we have saved our mem-bers \$300,000 for the year so far by refi-nancing their loans at a lower rate and/or term. Wondering if we can save you some money? Give us a chance to beat your rate and put money back into your pockets. That's what we do...save members money!

Clarion FCU will be CLOSED
Tuesday, July 4th in
observance of Independence day.
