**Project Backpack Kicks Off**

Please join us and help support local foster children in our area by participating in our 11th annual Project Backpack. Starting July 1st through the middle of August, you may drop off various items to help a foster child. Items needed are: backpacks, overnight bags, books, socks, undergarments, diapers, shoes, toothbrushes, etc. Any donations would be greatly appreciated! Unfortunately we cannot accept used items. If you have items please drop them off at the Clarion Federal Credit Union or help by donating one dollar when you do your banking. Items are being accepted at the Clarion and Brookville offices. If you have any questions please give us a call.

Thank you to those who have made this campaign so successful in the past!

**Financial Wellness**

Financial wellness is important and we care about how you are doing. Please remember we offer a free financial health checkup to all of our members. You can sit with one of our credit specialists and review what you can do to save money or improve your credit score.

**FYI**

Please note that in the event of a disruption to service or emergency at the credit union you can follow: local radio, local newspaper, Explore Clarion or [www.clarionfcu.org](http://www.clarionfcu.org) for updates and further information.
