

NEW: Mortgage Department Opening

So you've been wondering what's going on in the bottom floor of the Credit Union? We have big news—we opened a Mortgage Department and welcomed Don Shaffer and Susan Dinger to the CU team! Don comes to us with over 30 years experience in the mortgage field and Susan comes to us with over 6 years experience. They are here to help guide our members through the sometimes complicated mortgage process. If you have questions about the mortgage products that are available please give us a call and we will get you connected to our mortgage department. The Credit Union is continuously evolving to suit member needs and hopes to establish long lasting relationships throughout our journey together.
